

Genesee Intermediate School District  
Office of the Superintendent

### STAR Award

Dear Staff,

We would like to continue to thank and recognize staff members for their efforts. At the end of each month, a committee of staff members will be selecting a person for a “STAR” Award.

This recognition is open to all employees. Each month’s recipient will receive a \$50 gift certificate for dinner (funded through donations) and a certificate. The “STAR” will also be highlighted in *Innerviews* and at a school board meeting. There are so many quality employees doing wonderful things for others, we know it’s time to say, “Thank you,” to as many as we can while moving forward through the year.

To nominate a staff member, simply complete the attached form on the back or pick up a new one from any school office or on our website. Send the completed form to Barbara Whittier in the Communications and Development office. The Review Committee will select our “STAR” at the end of each month. All nominations will remain current for three months.

The Review Committee is composed of 12 staff members from all buildings and departments. I will play no role in the selections. This is intended to be a positive program and is strictly voluntary.

I would strongly encourage you to nominate a colleague as a “thank you” for helping children and representing our profession well.

Thanks to all of you for the great things you do for children.

Lisa

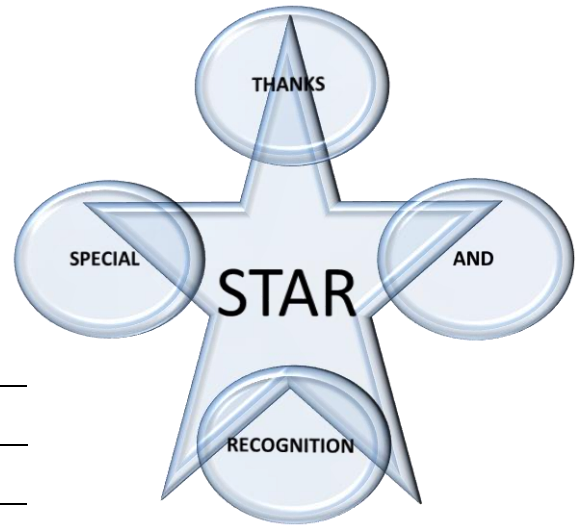

*Proud to be an NCA accredited  
intermediate school district.*
