October 4, 2016

2016 Graduates and Parents,

The Genesee Intermediate School District (GISD) is pleased that the Genesee Opportunity ballot proposal was passed by voters on August 2. As a result, GISD is in the process of working through the rules and procedures for implementing this significant, one-of-a-kind program for residents and graduates of a Genesee County high school.

Due to the timing of the election and the necessary regulations for determining institutional eligibility and payment processes, the reimbursement of eligible costs under the Genesee Opportunity Stipend will begin with the second semester for all 2016 graduates.

The application process has now moved from the pre-application phase to the final application for all 2016 graduates. **This means that all 2016 graduates who wish to use the stipend must complete, sign, and return the enclosed application and Stipend Acceptance Form.**

Please return all materials to:

Genesee Intermediate School District
Genesee Opportunity
2413 West Maple Avenue
Flint, MI 48507-3493

Once your completed application is received, we will verify the information provided to determine eligibility for the Genesee Opportunity Stipend. If you have already taken a qualifying assessment for certification at your training institution, please call (810) 591-GCGO (4246) to discuss eligibility for reimbursement.

Sincerely,

Dr. Lisa A. Hagel
