School District / Building: _____ Principal: _____

Dear Parent / Guardian :

Thank you for your continuing support in your child's education and language acquisition process. As we mentioned in the letter notifying you that your child was exited from ESL services, content expectations and language become increasingly difficult and de-contextualized with each grade. Accordingly, we have been monitoring your child. Upon review of his/ her English, grade level performance, and standardized assessment performance, your child has again been selected, under federal and state law criteria, to re-enter the ESL program.

Once more, participation in this program offers your child additional support (so that he or she will have an equal opportunity to comprehensible education and performance as do native English speakers). I want you to know that you have the right to refuse placement of your child in this program and to remove your child from this program at any time. If you have any questions, please contact the school or Sara Rainwater, GISD ESL Coordinator. Translation services are available upon request.

Thank you for giving your child every opportunity to be successful.

Sincerely,

Principal
