

**Genesee County
Career Technical Education
Early Middle College**

**Computer Occupations
Technology
Computer Security**

The Computer Occupations Technology program at Mott Community College prepares students for both the Associate of Applied Science Degree and Certificate of Achievement.

Computer Occupations Technology-Computer Security is a CompTIA accredited degree and certificate program based on industry demands, local business input, and the experience of our faculty. The Computer Security Certificate of Achievement prepares students to quickly gain a high quality skill set to pursue entry-level positions within information technology security. Students will customize their program of study to prepare for one or more of the industry assessments: CompTIA A+, CompTIA Network+, and CompTIA Security+.

**The jobs of today require highly skilled technicians.
Gain the knowledge and hands-on experience that will
make you employable in these rewarding careers.**

A Genesee County Career and Technical Education Early Middle College Partnership

ESSENTIAL ELEMENTS

In addition to the 5-year plan of study, these POS Essential Elements are integral to the student's educational development.

Career and Technical Student Organization (CTSO)

Community Service

Educational Development Plan (EDP)

Work-Based Learning (WBL)

What is an Early Middle College?

The Genesee County Career and Technical Education Early Middle College (GC CTE EMC) is a unique opportunity for students to explore and earn an associate degree, credential or transferable credit in a CTE Career Pathway while in high school.

Students will begin blending their high school course work with college level coursework in 11th grade, adding additional college courses in 12th grade and complete a full schedule of college coursework in a 13th year.

What is the MEMCA Certificate?

The Michigan Early Middle College Association (MEMCA) Certificate recognizes early middle college students who successfully complete a minimum of 15 college credit hours. The student must also complete 100 hours of verified community service, a minimum of 40 hours of internship, job shadowing, or clinical experience, or 70 hours of combined community service and verified career exploration.

SEQUENCE OF COURSES The grades 9-13 sequence of courses includes the Michigan Merit Curriculum Requirements and the required college course work for the listed credentials. See Sequence of Course legend below.

¹Students must place into these courses through a placement test. If a student does not place into these classes, the sequence of courses will be modified for the student's individual plan of study.

*Michigan Merit Curriculum: These requirements can be met by successfully completing the first course in the same box. This option will vary by district; please discuss with your local counselor.

**Students will enroll in this college course.

***Students receive free college credit for this course by successfully completing the first course listed in the box.
