

Thank you for your interest in the Genesee County Career and Technical Education Early Middle College program. We are excited to provide our Genesee County high school students an opportunity to earn their high school diploma while simultaneously completing a certificate or associate degree.

The Genesee County Career and Technical Education Early Middle College (GC CTE EMC) is an exciting and effective way for students to earn up to an Associate's Degree while still in high school. Through this innovative program, students will be able to save both time and money as they pursue a college credential. In order to complete the coursework required for this program, students will commit to spending three years in the GC CTE EMC, grades 11, 12, and 13.

The EMC is structured so that students gradually increase their exposure to college courses throughout their high school experience. Students apply for admission to the GC CTE EMC in grade 10 and, if accepted, begin taking college classes in grade 11. Students will take a combination of high school and college courses during grades 11 and 12. By the time they reach the fifth year of high school, they will be a full-time college student and, in most situations, all their coursework will be completed on-site at Mott Community College. The fifth year includes one high school graduation requirement that is transferred back to the high school.

Students in the GC CTE EMC program will receive support services to assist them in their transition from high school to college. All GC CTE EMC students will complete a **mandatory** College Success Boot Camp during the summer between grades 10 and 11. This boot camp will help to develop their academic preparation skills, study skills development, and social maturity skills. Students will also work closely with the GC CTE EMC coordinator who will serve as a "success coach" as they progress through the program. In addition, students will still have access to their traditional high school support system, as well as student support services available through Mott Community College.

We are excited to help you start your path to success! If you are interested in the Genesee County Early Middle College, please submit your completed application to your high school counselor by Monday, March 2, 2020.

Sincerely,

Diana Allard
Director
Career & Technical Education
Genesee Intermediate School District

Participating High Schools

Participating districts currently include: Beecher, Bendle, Carman-Ainsworth, Clio, Davison, Fenton, Flushing, Genesee, Goodrich, Grand Blanc, Kearsley, Lake Fenton, Lakeville, Linden, Montrose, Mt. Morris, Swartz Creek, and Westwood Heights.

The contacts listed below are able to help parents and students with the application process and answer questions regarding the GC CTE Early Middle College. If you need additional information, please call the Genesee County CTE Early Middle College Coordinator at 810-591-3288.

Student Overview

The Genesee County Career and Technical Education Early Middle College is a unique educational option that provides students the opportunity to graduate with a high school diploma and a Mott Community College associate degree or career certificate. This EMC program is exclusively designed to prepare students for post-secondary education and employment opportunities.

Students who are admitted to the Genesee County Career and Technical Education Early Middle College must meet the following expectations:

- Attend school daily and notify the school in the event of an absence
- Arrive at school and all classes on time and ready to participate
- Devote additional time to studying daily
- Keep parents/legal guardians aware of academic progress
- Complete all Michigan Merit Curriculum graduation requirements
- Behave in a professional manner that shows respect for oneself, classmates, high school and college faculty, and the college facilities and equipment
- Follow the handbook rules and policies of the local high school, Mott Community College and the Genesee County Career and Technical Education Early Middle College program
- Attend the mandatory Summer College Success Boot Camp – Monday, July 13 through Thursday, July 16, 2020
- Meet with the Genesee County Career and Technical Education Early Middle College Coordinator regularly to discuss academic progress

Parent Overview

The Genesee County Career and Technical Education Early Middle College is a unique educational option that provides students the opportunity to graduate with a high school diploma and a Mott Community College associate degree or career certificate. This EMC program is exclusively designed to prepare students for post-secondary education and high-demand employment opportunities.

Studies indicate that students succeed best when the students, parents/guardians, and schools work together. Parents/guardians of those students selected to enroll in the Genesee County Career and Technical Education Early Middle College should be fully prepared to:

- Support their student's daily attendance and notify the school in the event of an absence
- Provide time each day for the student to study in a quiet environment
- Review report cards and academic progress with your child on a regular basis
- Attend and participate in parent/teacher conferences at their individual school district
- Fully understand that the Career and Technical Education Early Middle College is a full three-year commitment
 - Begins in 11th grade and extends one year past the 12th grade
- Communicate any questions with your high school counselor and the Genesee County Career and Technical Education Early Middle College Coordinator

Thank you for your interest in the Career and Technical Education Early Middle College program. As the parent/guardian of a Genesee County Career and Technical Education Early Middle College student, you will be an important partner as your student strives for success.

Application Process and Timeline

There are several steps required to apply to the Genesee County CTE Early Middle College program.

Step 1: Apply online to Mott Community College <https://appsprod.mcc.edu/onlineapp/>.

Step 2: Complete the Accuplacer assessment.

Step 3: Complete the Genesee County CTE Early Middle College student application packet and turn it into your high school counseling office by Monday, **March 2, 2020**.

Step 4: Participate in a scheduled Student/Family Interview at the Genesee Career Institute. The interviews are being scheduled on one of the following dates; **April 7-9, 2020** between 1:00 pm and 8:00 pm.

Step 5: Attend the New Student Orientation held on **Tuesday, April 28, 2020** at 6:00pm at the Genesee Career Institute.

Step 6: Attend the **mandatory** College Success Summer Boot Camp. The summer boot camp will take place **Monday, July 13 through Thursday, July 16, 2020** from 9:00 am- 3:00 pm at the Genesee ISD.

Mott Community College
Accuplacer

Listed below are the minimum placement scores required to complete the college courses as listed in the program of study. If a student does not meet the required placements scores, he/she may still apply as other options may be available on an individual student basis.

Please check with your local school district as additional requirements such as GPA or PSAT scores may be required for you to be accepted into this program.

Early/Middle College Family Interview

After student applications are reviewed, students meeting the minimum criteria for Genesee County Career and Technical Education Early Middle College entrance will be scheduled for an interview. The student and his or her parents/guardians are expected to attend the interview. After the interview, students will be notified by letter sent to the home address whether they have been accepted into the program.

The interview will cover the following topics:

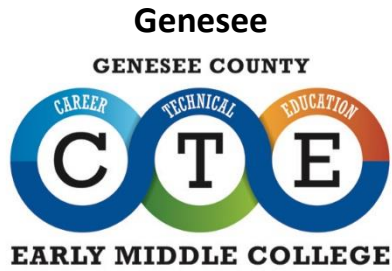

- Student goals and aspirations
- Previous educational experience
- College readiness
- General information about the student
- Parent support for the student in the GC CTE EMC
- Why the Career and Technical Education Early Middle College would be a good fit

Interview Location: Genesee Career Institute (GCI)
G 5081 Torrey Road
Flint, MI 48507

Date: April 7- 9, 2020

Time: 1:00 p.m. to 8:00 p.m.

* If accommodations are needed for the interview, please contact Merry Jane Robertson for assistance (810.591.4450 or mjrobertson@geneseeisd.org).

College Success Strategies Summer Boot Camp

All EMC students are required to attend a **mandatory** college success summer boot camp prior to beginning the program. All students attend boot camp in the summer between grades 10 and 11.

The summer boot camp will take place **Monday, July 13 through Thursday, July 16, 2020 from 9:00 AM - 3:00 PM** at Genesee ISD with a Mott Community College campus visit. Students are required to attend and should plan their schedule accordingly.
