March 13, 2020

Dear GISD Families,

Governor Whitmer has ordered the closure of all schools in Michigan from March 16, 2020 through April 5, 2020, in an effort to help limit the spread of Coronavirus (COVID-19). I want to share my appreciation for your patience and understanding as we all continue to work through this unprecedented situation together. We recognize that the closure of school presents challenges for our community and we can assure you that we are developing plans for how we can support student learning as well as how we can provide nutritional support during this time. Please know that we will communicate detailed updates with you early next week through our student/parent notification system, posts on our GISD website, or directly from our program or service leaders. Again, thank you for your patience and know that we are working to support you in any way we can—we will get through these difficult times together.

Please visit our website: [www.geneseeisd.org](http://www.geneseeisd.org) for additional resources regarding Coronavirus (COVID-19).

If you have any questions or concerns, please call our main line at (810) 591-4400.

Sincerely,

Dr. Lisa A. Hagel

Superintendent
